Copy of letter from A. R. Mac Ewen Esquire, M.C., I.C.S., Special Settlement Officer, Party No.IV, Cannanore, R.O.C.No.380/ B. & C. 28-30 dated 23rd November 1929.

In the rough patta notifications issued in respect of the experimentally resurveyed villages of Puttur, Mangalore, Udipi and Coondapur Taluks, it was specifically stated that ryots who had any grievance against re-survey demarcation on the ground of exclusion from ryotwari limits of trees along channel bunds should apply at the rough patta objection hearing for the issue of certificates, such as have been ordered to be issued in similar cases in the Old Kasaragod Taluk. Subsequent inspection in the above villages was confined to cases brought to notice at t rough patta objection hearing. Recently, however, I have, in the case of Old Kasaragod taluk proposed to confine inspection to cases where there are taxed trees and to issue certificates in all the rest automatically in office, irrespective of whether or not any bunds or trees are affected (My letter R.O.C. No.391/Mis.29-10 dated 30th October 1929). Should the Board approve of this proposal, I propose to extend it also to the experimentally resurveyed villages referred to above.
